➤ Introduction

❖ Swachh Bharat Mission

The Swachh Bharat Mission - Urban (SBM-U), launched on 2nd October 2014 aims at making urban India free from open defecation and achieving 100% scientific management of municipal solid waste in 4,041 statutory towns in the country.

- **Objectives of the mission:**

1. Elimination of open defecation
2. Eradication of Manual Scavenging
3. Modern and Scientific Municipal Solid Waste Management
4. To effect behavioral change regarding healthy sanitation practices
5. Generate awareness about sanitation and its linkage with public health
6. Capacity Augmentation for ULB's

- **Mission components:**

1. Household toilets, including conversion of insanitary latrines into pour-flush latrines;
2. Community toilets
3. Public toilets
4. Solid waste management
5. **IEC & Public Awareness**
6. Capacity building

❖ IEC (Information Education& Communication) Strategy under Swachh Bharat Mission.

The Swachh Bharat Mission is not about constructing toilets but aims at behavior change of the masses to adopt better sanitation practices. Therefore, information, education and communication (IEC) strategies, planning and their effective implementation is the key to the success of Swachh Bharat.

Since 2014, engagement from the top political and government leadership, especially the Prime Minister, induced catalytic participation across segments, giving the cause of sanitation & solid waste management consistent attention and focus.

This translated into a mission mode approach where a range of government ministries, private sector organizations, the philanthropic ecosystem, civil society, and the media & entertainment sector

participated to bring Solid waste management & sanitation messaging and awareness to citizens at significant scale.

Through this period, India witnessed a significant increase as well as widespread IEC messaging on ending the practice of open Defecation & mismanagement of Solid Waste. This led to a significant improvement in sanitation coverage and reduction in other worse sanitation practices during this period.

Figure 1 IEC Strategies introduced at Community & Institutional Level

❖ **Jammu city & Jammu Municipal Corporation.**

Jammu is the winter capital of the Indian union territory of Jammu and Kashmir. It is the headquarters and the largest city in Jammu district of the union territory lying on the banks of the river Tawi, the city of Jammu, with an approximately area of 240 sq. km., is surrounded by the Himalayas in the north and the northern-plains in the south. Jammu is the second most populous city of the union territory Known as the City of Temples for its ancient temples and Hindu shrines. Jammu is the most visited place in the union territory.

In the 51st year of Republic of India, the State Legislature passed the J & K Municipal Corporation Act 2000, giving it status of Jammu Municipal Corporation. With the up gradation to the Status of Jammu Municipal Corporation the city has been divided into 75 wards with an approximately area of 240 sq. km.

➤ **Initiation of IEC (Information, Education & Communication) activities in Jammu city.**

The Work regarding Information, Education and communication strategy under SBM is awarded to “All India Institute of local Self Government”. The IEC activities have been initiated by AIILSG in consultation with JMC in the beginning of October-2020 covering the Training cum Workshops/Interaction programme with all 75 Ward Councillors/Community Level Heads, Traders/Shopkeepers/Hoteliers, JMC officials such as Sanitary officers/ inspectors/ Supervisors regarding Solid Waste Management Rules 2019, discussion & awareness regarding Swachh-Survekshan related Benchmarks/Parameters, Swachhata Ranking, Meeting with Bulk Waste Generators regarding JK SWM Byelaws-2019& awareness regarding SWM related traditional methods & latest technologies which can be used at source and other IEC related activities such as initiation door to door IEC awareness campaign & related Baseline survey within Jammu City to further aware the locals/citizens regarding the need and importance of Solid waste management within Jammu city, etc.

1. “Workshop with Stake Holders” at Ward no. 15, Shivalik Mandir on 2nd Feb, 2021.

Workshop among Stakeholders of ward no. 15 of JMC under Swachh Bharat Mission has been organized on 02-02-21. Respected members were provided with awareness & importance of the segregation, collection & management of Municipal Solid waste and were requested to coordinate & help in supporting IEC initiatives taken by JMC w.r.t. solid waste management at source and monitoring of its collection regularly in both dry & wet form.

JMC Organised awareness programme on Plastic waste Management

Early Post Desk

JAMMU: JMC in collaboration with Regional and Urban Development Agency and Government College of Education, Jammu organized an awareness programme on sustainable waste management practices under Plastic Waste Management Programme supported by Coca Cola and UNDP at the premises of Government College of Education, Canal Road, Jammu in presence of Advocate Purnima Sharma, Hon'ble Dy Mayor JMC, Shri Yashpal Sharma, Hon'ble Chairman Swachh Bharat Mission/JMC, Shri Hardeep Singh Mankotia, Hon'ble Corporator Ward No 26, Shri Dinesh Gupta, Hon'ble Corporator Ward No 18, Ms.Tinna Mahajan Secretary JMC, Mr. Sanjeev Arora CEO Regional and

Urban Development Agency and Mohammad Ameen City Lead UNDP.

The programme started with the Welcome address by Prof C.L. Shivgotra, Vice

tic waste.

The nukkadnatak organized by the IEC team of JMC was the highlight of the programme wherein the participants were sensitized about

Principal, Govt college of Education followed by detailed deliberations on Plastic Waste Management programme by Mr. Sanjeev Arora wherein emphasis was laid down on sustainable collection, segregation and recycling of plas-

plastic pollution and ways to combat it. Purnima Sharma, Hon'ble Dy Mayor JMC also spoke on the occasion and deliberated on the various initiatives taken up by JMC for creating awareness among Jammuites for waste management. Shri Yashpal

Sharma also spoke on the topic and further requested students to propagate message of Swachhita among family and friends.

Ms. Tinna Mahajan Secretary also spoke on the occasion and elaborated on the different interventions of JMC for managing the solid waste including plastics. She also requested the participants to install Swachhta app and participate in Swachh Sarvekshan 2021. Apart from this she emphasized that the students should be encouraged to bring segregated dry waste from their houses and deposit the same in the college. She maintained that the waste deposited by the students will be registered and those students who will bring more waste shall be rewarded at the end of the month.

Swachhta Pledge was also taken for reduce, reuse and

recycling of Plastic Waste, At the end of the programme dustbin made of Multi Layered Plastics (MLP) was inaugurated by the dignitaries and handed over to the college Administration.

Ms. Kulvinder Kour, Principal Government College of Education also spoke on the occasion and motivated staff and students to become role model for the society and segregate waste at HH level and assured to render all support to the plastic Waste Management Programme of UNDP. The other members present during the occasion were Dr. Shalini Sharma Convenor Nature Club, GCOE, Prof. Satish Sharma, Prof. Tahira Shah, Dr. Jyoti Parivar. At the end, vote of thanks was presented by Dr Shubra Jamwal, NSS programme Officer and Lecturer, GCOE.

61. Events with Educational Institutions at 12 Feb on Canal Road Govt. B. Ed College (Ward no 12).

Event with education institution at Ward no. 12 has been organized on 12-02-2021. Theme of this event was Swachh Bharat Mission. Students enthusiastically participated and were decked up with suitable attire. They have pledged to keep their surroundings clean & expressed their views. They also urged to maintain the cleanliness.

61.1 Media Coverage

JMC Organised awareness programme on Plastic waste Management

Early Post Desk

JAMMU: JMC in collaboration with Regional and Urban Development Agency and Government College of Education, Jammu organized an awareness programme on sustainable waste management practices under Plastic Waste Management Programme supported by Coca Cola and UNDP at the premises of Government College of Education, Canal Road, Jammu in presence of Advocate Purnima Sharma, Hon'ble Dy Mayor JMC, Shri Yashpal Sharma, Hon'ble Chairman Swachh Bharat Mission JMC, Shri Hardeep Singh Mankotia, Hon'ble Corporator Ward No 26, Shri Dinesh Gupta, Hon'ble Corporator Ward No 18, Ms. Tinna Mahajan Secretary JMC, Mr. Sanjeev Arora CEO Regional and Urban Development Agency and Mohammad Ameen City Lead UNDP.

The programme started with the Welcome address by Prof. C.I. Shivgotra, Vice Principal, Govt college of Education followed by detailed deliberations on Plastic Waste Management programme by Mr. Sanjeev Arora wherein emphasis was laid down on sustainable collection, segregation and recycling of plastic waste.

The nukkadnatak organized by the IEC team of JMC was the highlight of the programme wherein the participants were sensitized about plastic pollution and ways to combat it. Purnima Sharma, Hon'ble Dy Mayor JMC also spoke on the occasion and deliberated on the various initiatives taken up by JMC for creating awareness among Jammuites for waste management. Shri Yashpal Sharma also spoke on the topic and further requested students to propagate message of Swachhta among family and friends.

Ms. Tinna Mahajan Secretary also spoke on the occasion and elaborated on the different interventions of JMC for managing the solid waste including plastics. She also requested the participants to install Swachhta app and participate in Swachh Sarvekshan 2021. Apart from this she emphasized that the students should be encouraged to bring segregated dry waste from their houses and deposit the same in the college. She maintained that the waste deposited by the students will be registered and those students who will bring more waste shall be rewarded at the end of the month.

Swachhta Pledge was also taken for reduce, reuse and recycling of Plastic Waste. At the end of the programme dustbin made of Multi Layered Plastics (MLP) was inaugurated by the dignitaries and handed over to the college Administration.

Ms. Kulvinder Kour, Principal Government College of Education also spoke on the occasion and motivated staff and students to become role model for the society and segregate waste at HH level and assured to render all support to the plastic Waste Management Programme of UNDP. The other members present during the occasion were Dr. Shalini Sharma Convenor Nature Club, GCOE, Prof. Satish Sharma, Prof. Tahira Shah, Dr. Jyoti Parivar. At the end, volte of thanks was presented by Dr. Shubra Jamwal, NSS programme Officer and Lecturer, GCOE.
