

## **Structures demolished at Rajinder Bazar to Talab Khatikan**

A joint demolition drive has been conducted by District Administration under the supervision of Additional Deputy Commissioner, Jammu alongwith Joint Commissioner (A), Jammu Municipal Corporation, Administrator Auqaf, Deputy Custodian, Jammu with senior officers of these departments alongwith subordinate staff. During the drive two nos. of double storey commercial cum residential structures, one pacca wall and a khokha have been demolished, which come in the way of widening of road from Rajinder Bazar to Talab Khatikan.

The occupants of these structures posed a tough resistance but with the timely intervention of police force, which was present there in a large number, the task was accomplished successfully. The demolition operation has been conducted by pressing the men and machinery and with the cooperation and assistance provided by the police force led by Sub Divisional Police Officer City alongwith Station House Officers of Police Station City and Peer Mitha, Jammu.

## **PRESS RELEASE**

In continuation to de-silting drives of various big nallahs/deep drains within the limits of Jammu Municipal Corporation, today on 10.05.2016, the de-silting drive was started in Shakti Nagar Nallah under the able guidance of Ms. Mandeep Kaur, IAS, Commissioner, Jammu Municipal Corporation. The men and machinery were deployed in Shakti Nagar Nallah for de-silting of the same. This special drive will continue for another 15 days, 7 days for de-silting of up-stream and 7 days for de-silting of down stream of Shakti Nagar Nallah. During de-silting Shakti Nagar Nallah, a large number of people gathered at the spot and appreciated the efforts taken by Jammu Municipal Corporation for mitigating their sufferings which they have been facing since long due to overflowing of Shakti Nagar Nallah, on both sides of the nallah there is huge building structures which are creating hurdles in de-silting of the said nallah. A water channel has been developed by JMC for de-silting of portion of the nallah. Last year due to overflowing of Shakti Nagar Nallah there was loss to property of the adjoining houses, as water was entered into the houses adjoining to the Nallah. Learning from the past experience this year, JMC has taken timely action to de-silt the Shakti Nagar Nallah well before the onset of monsoon season. In the current year, JMC has started the de-silting operation of 14 big nallahs and number of tributaries from 1<sup>st</sup> February, 2016 so that JMC can finish the task of de-silting of various nallahs well before the onset of monsoon season. Upto this time since starting of de-silting operation JMC approximately de-silted number of nallahs and collected upto 70,000 mt. tones garbage from these nallahs.

The whole operation is led by the dedicated officer Mr. Talat Mehmood Khan, Chief Transport Officer, JMC alongwith his team. Every day JMC is receiving appreciation from the residents of different areas and assurance that they shall extend their cooperation to JMC for de-silting process. As per schedule, the JMC will continue the de-silting process upto ending June, 2016

Sh. R.S. Jamwal, Joint Commissioner (A), JMC appealed the general public that not to throw garbage, plastic goods and other household material in nallahs as it is a main cause of choking of nallahs and assured the general public that JMC will put every possible efforts for mitigating the sufferings of residents of different areas falling within the limits of Jammu Municipal Corporation.

## **Jammu City stepping towards- Garbage to Gold**
