Meeting regarding setting up of Solid Waste Management Project in Jammu city.

Today on 10.11.2016, a meeting was held under the Chairmanship of Dr. Manmohan Singh (KAS), Municipal Commissioner with Sr. Manager, Sh. Manjeet Pugalia, *International Coil Ltd. Delhi* in the Conference Hall of Jammu Municipal Corporation, the Joint Commissioner (Adm), Sh. R.S. Jamwal (KAS), Chief Accounts Officer, Sh. Neeraj Gupta, Secretary, Sh. Ranjeet Singh, JMC and other technical staff members of JMC were also participated in the meeting.

At the outset of the meeting various points were discussed in brief about setting up of Solid Waste Management Project in the city, the Consultants gave presentation and share their experiences and opinions while establishing the project in other city. Meanwhile the Commissioner, Jammu Municipal Corporation underlined the determination of Jammu Municipal Corporation to start the solid waste management project immediately for Jammu. Solid waste Management is one among the basic essential services provided by Municipal authorities in the country to keep urban centres clean.

Though Municipal authorities have held the responsibility of managing solid waste from their inception over three centuries ago, the issue seldom got the attention it deserved. As there is a dire need of the project without affecting other important parameters like Noise Pollution, Air Pollution. Water Contamination etc, should also be taken in view while establishing the project.

During the meeting the consultants show some products which have come up from waste material e.g (Waste to Pellet) which will be used in daily life and they also share some other parameters which show the necessity of the project for the city. At the end of the meeting Commissioner, JMC and other Officers thanked them and asked for preparing Detailed Project Report (DPR).

Efforts for streaming the drainage system in Jammu City **initiated by JMC**

For redressing the sanitation problems in Jammu City, the Jammu Municipal Corporation has launched drive in different parts of the city during which encroachments made over drains by the shopkeepers were removed so that there could be no choking of drains especially during rainy season. Further continuing the said drive today the team of Jammu Municipal Corporation launched the drive in Nai Basti area during which platforms (pacca tharas) constructed over drains which is a main cause of choking were removed. During the drive, Sh. Kavinder Gupta, Hon'ble Speaker, J&K Legislative Assembly was there at that time and interacted with shopkeepers and general public as well and added that Nai Basti area shall be developed at par with Raghunath Bazar so that the face lifting of the area can be done.

Shopkeepers as well as general public present on spot appreciated the role of Jammu Municipal Corporation and also thanked the Hon'ble Speaker for paying attention towards Nai Basti area. Dr. Manmohan Singh (KAS), Commissioner, Jammu Municipal Corporation also extended thanks to the shopkeepers and general public for coordinating with Jammu Municipal Corporation during the drive.

He further appealed the general public not to construct platforms over drains for avoiding choking of drains, as the choking is the main cause of in-sanitary conditions in Jammu City.

During the drive Commissioner, Jammu Municipal Corporation was accompanied by R.S. Jamwal (KAS), Joint Commissioner (A), Rajesh Gupta, Kamni Kesar, Chief Enforcement Officers and Talat Mehmood Khan, Chief Transport Officer, JMC.

Super Sucker Machine inaugurated by Deputy Chief Minister under **Swachh Bharat Mission to improve the sanitation scenario in Jammu** **City.**

Today Deputy Chief Minister Dr. Nirmal Singh in presence of Dr. Manmohan Singh (KAS), Commissioner, Jammu Municipal Corporation, inaugurated the Super Sucker Machine at MAM Stadium, Jammu which consists of suction pump having capacity of 3800 cum. per hour. It will be used for de-silting of trunks sewers pipelines/open drains and free flowing sludge/slurry including covered deep drains where manual access is not possible. It is first kind of machine in J&K State contributed by the J&K Bank under its CSR initiative as per guidelines of Swachh Bharat Mission at the cost of Rs. 1,41,11000/- The machine will clean big nallahs/deep drains like Krishna Nagar Nallah, Nai Basti, Science College, Nanak Nagr, Trikuta Nagar, Kabir Colony, Vishal Nagar etc. especially during rainy season it will play a vital role in cleaning major nallahs of the City which are difficult to clean manually as it has capacity to suck heavy material and consists two big tanks mounted with it. The machine also has a high pressure jetting pump pratissoli (Itlay) with discharge capacity of 260-280 LPM and pressure of 140-160 bars. It will help JMC in achieving its objective of Swachh Bharat Mission and making Jammu a Smart City.

While speaking on the occasion Hon'ble Deputy Chief Minister lauded the steps of Jammu Municipal Corporation towards making Jammu a Smart City and added that this machine will be a milestone in redressing the cause of choking of major nallahs and appeals the general public not to throw construction material/plastic material in nallahs as it is a main cause of choking of the nallahs resulting into overflowing and damage to the public property etc.

Among other R.S. Jamwal (KAS), Joint Commissioner (A), Jammu Municipal Corporation, Neeraj Gupta (KAS), Chief Accounts Officer, Ranjit Singh (KAS),

Secretary, Kushal Chand, Joint Commissioner (Works), Arvind Gupta, Vice President, J&K Bank, Rajesh Dubey, Branch Manager, J&K Bank, Rakesh Gupta, Special Assistant to Commissioner.
