Jammu Municipal Corporation had initiated Door to door awareness regarding Segregation of solid waste in the month of October 2021. IEC Zonal Area managers took the initiative and moved Door to Door in order to aware the Households / Local citizens of Jammu city. Moreover, the details of the citizens along with the grievances were also noted and a regular monitoring is performed by the IEC Team for the citizens who are not practicing Source segregation.

Swachhata complaints were also redressed by the IEC Team as each complaint is noted via Swachhata App and a quick inspection is performed by the ZAMs in order to resolve it.
